In response to economic impacts caused by the COVID-19 Pandemic, the Town of West Point is pleased to announce the West Point H.O.P.E. (Helping Our Pointer Economy) Initiative. The West Point H.O.P.E. Initiative is a financial stimulus program approved by the Town Council, designed to assist families and businesses within the Town of West Point during the economic downturn related to local and state efforts to reduce the spread of the coronavirus. The Town of West Point's mission is to be 'a great place to live, work, and play' and the Town and its staff continue to make every effort to take care of its citizens and businesses and remain true to its mission.
