III. Machinery & Tools Tax

Mr. Edwards presented the Committee with a Tax Comparison of current revenues and the anticipated adopted budget revenues regarding the PPTRA, the Machinery and Tools Tax and the Real Estate Tax. Mr. Edwards also stated that the county is still reviewing the appeals for the equalization.

Mrs. Ball advised that just last week she had a town resident that did not receive her re-assessment and is appealing the re-assessment and that some of the businesses that filed for appeals are still under review.

Mr. Hudson advised that if this rate works this year the Town can consider doing something different with the rates next year.

Mr. Edwards advised that the expected amount for the PPTRA will be 66.7%, last year it was 67.5%. There will be a resolution in the Town Council packet.

V. Boards Re-appointment

Mr. Edwards advised there are a total of three positions that will expire in September. On the Building Code of Appeals, Chase Evans and David Layne would like to be re-appointed for another four year term. On the Board of Zoning

Appeals & Wetlands Board, Kimberly Jennings has taken a position working night shift as a nurse and is not seeking re-appointment.

Mr. Hudson suggested that the Town check to see if Kevin Jennings would be interested in serving on the BZA & Wetlands Board, with his experience as a Land Survey he would provide good experience for both boards.
