**PUBLIC WORKS
MINUTES
January 17th 2019**

Robert Lawrence called the meeting to order at 4:00 P.M. Committee members present included Robert Lawrence, Chairman.

Also Present: John Ragsdale, Town Council Member; John Edwards, Town Manager; Karen Barrow, Town Clerk; Walt Feurer, Director of Public Works; Tim Sawyer, Chief of Police and Building Inspector and Jon Morr, Building Official.

I. Agenda Changes

There were no changes made to the agenda.

II. Adoption of Minutes

1 September 20th 2018

Mr. Lawrence asked for the minutes to be placed on the February agenda.

III. 2019 Meeting Calendar

Mr. Edwards advised that the meeting calendar will be on the Town Council agenda for adoption.

IV. Alley Drainage Behind 1127 Lee Street

Mr. Edwards presented an aerial view of the alley behind 1127 Lee St. The grade on the alley causes the rain water to drain at the entrance of a garage at 1127 Lee Street. The home owner built the garage and the entrance of the garage is below the grade of the alley. Because of the recent rain, the area is already wet so it would be hard to do a complete analysis of the alley. Mr. Edwards also stated that this is not the only alley with a grade or drainage issue. We would need to review the area when there has not been so much rain.

Tim Sawyer advised that an adjoining home has just been demolished; the lot has not been stabilized yet. If the lot is built up it will also drain water into the alley down to the garage. Mr. Sawyer suggested that nothing be done until the lot has been stabilized.

V. General Information

Mr. Edwards advised that he will not be available for the meeting in February, if a meeting is needed, staff members will report to the Committee.

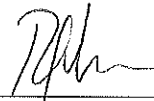

V. Town Council Agenda

Mr. Edwards advised there was nothing for the Town Council Agenda.

VI. Next Meeting Date: February 21st 2019

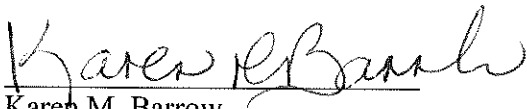

VII. Adjournment
