I. Agenda Changes

There were no changes made to the agenda.

II. Adoption of Minutes

1 January 17th 2019

Mr. Lawson made a motion to adopt the minutes of January 17th 2019, seconded by Mr. Pruett. Upon a unanimous vote, the motion was approved.

III. Town Hall Renovations

Walt Feurer, Director of Public Works advised there will be some renovations inside and outside the building. There will be some work done in the Town Chambers that will begin after a Town Council meeting and take approximately 3 or 4 days. The work will include a drop ceiling, replacement of lights and the instillation of TV monitors for presentations.

IV. Recycling Program

Walt Feurer advised that the value of recyclables is not what it used to be. The shipping cost to haul newspaper to Richmond is \$260 and we receive \$24 in payment. We do make up the loss on cardboard, the mill takes our cardboard. We are unable to continue to transport newspaper in this manner and we are looking for other alternatives with recycling.
