

**WEST POINT TOWN COUNCIL  
WORK SESSION  
MINUTES  
April 29th, 2014  
5:30 p.m.**

**1. Safe Routes to School**

Mr. Edwards reviewed a plat showing the sidewalk project for Phase I and stated that Phase II was going to include a sidewalk along Bagby Street, the Town would need to acquire property to construct the sidewalk on Bagby Street. The town could use the remainder of the funds to continue the sidewalk north on Chelsea road for the next phase of the project, there is an easement on Chelsea Road so the Town would not need to acquire any property.

The consensus of Town Council is for the Town Manager to continue extending the sidewalk on Chelsea Road.
