

Water - Sewer Rates

Water Rates

The Water Utilities Department is a division of the Town of West Point's [Public Works](#) Department.

Town of West Point Water Rate Bi-monthly Charges

Minimum Bill	Up to 10,000 gallons	\$44.90
Over 10,000+ gallons	Rates per 1,000 gallons	\$5.70

Revenues go toward:

Staff support, equipment, and materials for the utility.
Upgrade and maintenance to water wells, pumps, and towers.

The water utility is completely self-supported through water revenues; no tax dollars are used to fund the utility.

Please contact West Point Town Hall at 804.843.4363 if you have any questions about your bill.
