A. Public Hearing/Text Amendment/Commercial Piers

James Brockwell, Vice-Chairman, stated the Zoning Ordinance does not address commercial piers in the Town of West Point. Therefore, Town Council requested that the Planning Commission review language for commercial piers not to exceed a width of 12 feet and to report back with a recommendation.

Robert Kurfees, 1017 F Street, stated that, at this time, the only ordinance that the Town of West Point has which pertains to all piers is one that has a 6-foot limit. Therefore, Mr. Kurfees stated he was in favor of the Town Council raising the width limit to 12 feet to accommodate commercial use of piers.

Mr. John B. Edwards, Jr., Town Manager, stated that VMRS had reported that most of the cases they see for Commercial purposes are 10 to 12 feet.

Commissioner Vadas made a motion that the Planning Commission recommend approval to Town Council of Zoning Text Amendment Ordinance #01-2016, Commercial Piers, not to exceed a width of 12 feet. Commissioner Daniel Hockenberger seconded. Upon unanimous vote, the motion was approved.
